

THE TOWNWIDE FUND OF HUNTINGTON

THANKS4GIVING NEWS

“The Townwide Fund provides residents with many opportunities for support through the numerous local organizations they help fund. When we start local and help our neighbors in need, we create a community that everyone can count on.”

— RENNISE ADRION
Donor Relations/Grants Specialist
Long Island Cares Inc.

“Neither rain, nor snow, nor pandemics can keep the Townwide Fund from supporting the agencies dedicated to meeting the needs of Huntington residents. REACH CYA is so grateful to the Townwide Fund for decades of monetary contributions to help fill our budget gaps and provide supportive words of praise which helps fill our hearts.”

— ROSEANN MICELI, LMSW
Executive Director
Reach CYA

Give Thanks. Give Townwide.

The Townwide Fund fosters a network of charities, creating alliances that elevate our community

The Townwide Fund’s ability to help the Huntington Community never wavered this year as we held multiple outdoor summer events to ensure we would be able to support the non-profit agencies in our community that feed the hungry, provide shelter for the homeless and make medical and mental health services available.

With one donation, you are touching thousands of lives in our hometown. We thank you for the support you have given in the past. We hope that if you are able to, you’ll consider making a generous gift today, so that we can continue to make Huntington a better community.

When basic necessities cannot be met, The Fund is here to help — but we need your support.

ALICE MARIE RORKE
EXECUTIVE DIRECTOR

As we reflect on the past year, we realize that Huntingtonians are strong, resilient and will forge ahead with a renewed hope for tomorrow, and we want to ensure you all that the Townwide Fund is here for our community, always ready to respond to changing needs!

The holidays can certainly be difficult especially for those who have lost a loved one, and others who may have lost jobs and/or businesses during these difficult times. Even those of us in the best of circumstances are feeling the strain of an economy affected by the pandemic, inflation, and life's uncertainties in the coming months.

This holiday season, we at the Townwide Fund are doing everything we can to show our community the love, compassion and caring that every one of our neighbors needs and deserves, now and in the near future. We stand ready to help as we have for over 60 years! We ask you to open your heart and share your compassion so we can continue to provide the essential help needed in the face of the pandemic and throughout the year ahead.

Let's put our friends and neighbors in need at the top of our holiday list this year! If you are able to give, please make a generous gift to the Townwide Fund of Huntington. We transform your donation into help for many in our community. Remember: One donation touches many lives.

Our best wishes to you and your families this holiday season and here's to a new year filled with health, peace and hope for 2022!

Thank you for your support!

Through good times and bad, the Townwide Fund has helped our neighbors since 1961. The grants we give to local agencies are especially important now, and we are so grateful to you for your continued support. Because we are intricately connected with our local nonprofits, we can respond quickly when there is an urgent need, making a difference in the lives of our neighbors.

The Townwide Fund is committed to the success of all of our grant recipients, and we know that the more we do together, the better our town will be. Here are some of the ways we have helped the Huntington Community in 2021:

- Helped the Long Island Council on Alcohol and Drug Dependency provide emergency education and prevention programs to local students, healthcare workers and first responders, many who struggle with coping during and post pandemic.

- Supported our Veterans to ensure they have a place to live, and provide supplies they need to thrive. We worked closely with General Needs on the re-opening of the Northport VA Shelter.
- Paid for at-risk children to attend in-person or participate in virtual summer camp programs through Reach CYA, North Shore Holiday House, YMCA, Junior Welfare League, and Family Service League.
- Fed our hungry neighbors through LI Cares, St Vincent DePaul Society of LI, and Gateway Community Gardens.
- Supported programs and helped fund equipment (including PPE) for our elderly residents at St Johnland and Gurwin Nursing and Rehabilitation Center.

During these difficult times, the Townwide Fund stands ready to help our neighbors in need.
